

STRUCTURAL HEALTH

TRANSITIONAL PASTOR TRAINING

NEWPORT BEACH, CA // FEB 2, 2023

The topic of Structural Health has come to the forefront of leadership thought and conversation. Today, churches realize the importance of a stewarding process that builds on their history and prepares for the future. This training equips the Certified Transitional Pastor with tools to guide a church through structural continuity factors needed to successfully navigate transition. The material used is copyrighted by @willheath and is for ECO pastors exclusively.

TRAINING LED BY

Rev. Dr. Tim Fearer

ECO Certified Transitional
Pastor and Spiritual Director
